Contact venues who would be happy to support your event

We encourage to contact small business's, or perhaps use your personal connections, as large franchised organisations will have a higher cost.

Set a date

be mindful of other events in your state and try to pick the most suitable time for your target audience.

Set ticket price

Be sure to cover any costs in the ticket price, then add on a mark up, this ensures each ticket raises funds.

Create ticketing & fundraising platform

To make purchasing tickets easy, you may like to create an online ticketing platform. For example, universe.com or eventbrite.com.au are good options. Or you may like to just create a fundraising platform through everydayhero.com.au

Create an event page & volunteers

Facebook and social media is a great resource for sharing your event. To make your event as smooth as possible, it is worthwhile to seek some volunteers to assist you.

Seek donations

You may like to have a raffle, food stand or silent auction at your event, this will assist in your fundraising. Donation request letter can be found under 'download resources'.

Prepare for event

Share, invite and promote your fundraiser. A great way to do this is sharing information about Still Aware and where funds will go towards. Info can be found under 'download resources'

Run event

You may like to do a small talk at the beginning of your fundraiser, sharing your story and/or connection to Still Aware.
